Scheduling

Our goal is to affect socially significant behavior change for the clients we serve, to assist families in achieving this goal we require a minimum of 4 hours per week of ABA treatment.

We cannot guarantee that we will have these times available, but we will do our best!

Please write NO in the time slots that will NOT work for your family for ABA treatment on a weekly basis. Please write YES in time slots that would be your preference for ABA treatment on a weekly basis. Sessions usually run 1 ½ hours to 3 hours in the clinic setting.
